PROFILE

Passionate about technology and programming stuff, taking a BSc in Computer Engineering at ISCTE-IUL. Technical expertise in multiple programming languages, capable of solving problems and collaborate in diverse environments. Started programming in my 17's, intending to continue doing it for the rest of my life.

EXPERIENCE

Núcleo de Estudantes de Tecnologias do ISCTE 2025- PRESENT
IT department coordinator

- In addition to maintaining my previous technical responsibilities, I now lead the IT team by supervising ongoing work, managing user permissions and system access, and serving as the final point of quality control to ensure all deliverables meet the required standards before approval

Núcleo de Estudantes de Tecnologias do ISCTE 2024- 2025
IT department colaborator

- WebSite development (HTML, CSS, Laravel)
- Combining professionalism and strong skills in team-working, our goal is to contribute to the recognition of the 3 courses that we represent inside ISCTE-IUL.

Club Football Estrela da Amadora 2015 - 2022
Federate athlete for seven years

- Played at center-back and left-back.
- Captain of the team in the last three years, that gave me a strong leadership and an effective communication.
